

Data Safe Series SE

The Data Safe Series SE combines a 120-minute data fire rating with EN 1143-1 Grade II burglary protection — two hours of fire protection for tapes, disks and drives, in a cabinet insurers accept for cover up to €50,000 commercially and €100,000 privately. Five sizes run from 71 to 590 litres, quoted in LTO tape capacity as well as volume. The drawers shown in the drawing are not included in the price: pull-out drawers, LTO dividers and shelves are available as accessories.

CERTIFICATIONS

- Burglary** Grade II (EN 1143-1), tested by ECB•S Germany
- Fire** 120 minutes for data media (EN 1047-1, S 120 DIS)

Data Safe Series SE

Model	External H×W×D (mm)	Internal H×W×D (mm)	Capacity (L)	LTO tapes	Weight (kg)
SE11	732 × 786 × 833	332 × 444 × 470	71	112	320
SE12	1052 × 786 × 833	652 × 444 × 470	139	280	460
